Message

Dear Parents / Guardians,

Mahatma Gandhi Said, *"basic education links the children, whether of the cities or villages to all that is best and lasting in India."* The scope of education is to form the character of the pupils. The future of our country depends on the students in school and colleges hence they must be provided quality education with skills and knowledge to enhance efficiency and improving quality of life.

UTTHAN (Winner of Global prize of sustainability) established, Vishnu Bhagwan Public School in 2003, as a model education centre with excellence in vocational and general education. Students from Chhattisgarh, Madhya Pradesh, Bihar, Jharkhand and Uttar Pradesh are getting education together in this institute, which is contributing solidarity, social participation, inclusiveness, tolerance, and democratic values.

VRPS has Unique infrastructure (magnificent buildings, latest computers, rich library, outdoor and indoor game facilities and greenery with pollution free surroundings) and its educative process permits and perfection latent in student to express himself. We are grooming children in an atmosphere of controlled freedom with following aims :

*"The aim of knowledge is love,
The aim of education is character"*

I wish all success to my students who will be an ideal citizen of the country.

I also wish best of luck to Manager, Principal, All faculty & staff members of VRPS

Dr. D.N. Tewari
President UTTHAN

ABOUT US

Allahabad is well known for holy place Varanasi as well as for Education in the entire country. VBPS is being governed by "Utkarsh" society which is renowned National NGO actively engaged in raising the production of the finest plant (Jatropha), medicinal & aromatic plants.

School is located on the outskirts of Allahabad in a peaceful, calm & co-friendly environment. The school is well within the city expansion having a distance of only 5 km. from Allahabad Railway Junction & Bus Stand, Civil Lines. Moreover the School is very close to SIET & IIT (Allahabad).

Vidya Bhagwan Public School is an English Medium School from Pre-Nursery to XII. Vidya Bhagwan Public School is a pioneer in the field of educational measurement & aptitude testing.

It has spacious well ventilated classrooms. There are also special activity rooms for enrichment activities – both educational and recreational viz. a media room, music room, dance and performing arts room, prepared art and craft room etc. The school is also equipped with a well stocked library, a state of the art computer lab with broadband internet access on all computers and the latest educational software.

The Vidya Bhagwan Public School aims to provide a nurturing learning environment to enable students to become responsible citizens, life-long learners, and good communicators through a challenging curriculum. The well researched, project based international learning methodology of the school is designed to prepare students to excel in the world's future school.

The Vidya Bhagwan Public School aims to provide a learning environment where students are challenged to reach their individual potential by the acquisition of knowledge and the development of personal, cultural and democratic values essential for future success.

Vidya Bhagwan Public School believes that classroom learning is not sufficient to make a child excel in life; therefore it aims to provide students with learning beyond academics, by developing talents through an emphasis on extra curricular activities and life skills. The teachers are the heart of the academic program and Vidya Bhagwan Public School is also committed to have motivated and trained teachers. The school also aims to emphasize the importance of collaboration between parents and the school so that all parents are actively involved in their children's education.

VISION

of V.B.P.S.
